The Chief Minister,

Madras State,

MADRAS.

Memorial of Varamballi, Ponno, [illegible] of Udipi Taluq, South Kanara.

Dear Sir,

It is reported that a bridge will be constructed to Sitanadi River via Hongeroutta and Harady Village. We also hear that the officer concerned here have already examined and surveyed the sight and have selected the sight mentioned above. If the bridge is constructed in the same place, thousands of the houses and a large number of people of the locality will benefitted. At the same time Haradi and Hungeroutta port will be developed.

Again there is no doubt that fishing industry of Bongere, which is at a distance of one furlong from the sight, selected, will be benefitted to a great extent.

This being the the case, some rich people are trying their best have the bridge constructed at Kebekal for the benefitted of a few people. We also further hear that they have sent applications to the responsible officers for constructing the bridge at Kebekal.

Therefore we request the Chief Minister kindly to consider the matter and have the bridge constructed at Hongeroutta. We humbly request the Chief Minister to see that the buses are run from Brahmavar via Bilmi to Haradi on the proposed bridge to be constructed at Haradi.
